CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 89

Introduced by Assembly Member Hill

January 6, 2011

An act to add Section 7503.5 to the Government Code, relating to retirement.

LEGISLATIVE COUNSEL'S DIGEST

AB 89, as amended, Hill. Retirement: public employees.

The Public Employees' Retirement Law creates the Public Employees' Retirement System, which provides a defined benefit to its members based on age at retirement, service credit, and final compensation, as defined. The State Teachers' Retirement Law and the retirement laws for county employees and city employees also provide for a defined benefit based on age at retirement, service credit, and final compensation.

This bill would specify that, notwithstanding any other law, for the purposes of determining a retirement benefit paid to a person who first becomes a member of a public retirement system on or after January 1, 2012, the ~~maximum salary, total compensation, or payrate~~ upon which *a defined retirement benefits benefit* shall be based shall not exceed an amount set forth in a specified provision of the Internal Revenue Code. *The bill would also prohibit a public employer from making contributions to any qualified public retirement plan based on any portion of compensation that exceeds that amount.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
